In the audience was my good friend of three decades? the well-known science fiction writer, boozing, and wit, Randall Garrett. Out of the corner of my eye, I noticed a piece of paper placed on the podium as I talked about cloning. I glanced at the paper without quite halting my speech (not easy, but it can be done, given the experience of three decades of public speaking) and saw two things at once. First, it was one of Randall's superlative pieces of satiric verse, together. So he put the last piece on top of the trunk, swallowed several aspirins, and lay down. After that, Swyley had been declared "maladjusted" and transferred to D Company, which was where all the misfits and malcontents ended up. Now his powers returned magically only when no officers were anywhere near him except for Captain Sirocco, who ran D Company and didn't care how Swyley got his answers as long as they came out right. And Sirocco didn't care if Swyley was a misfit, since everyone else in D Company was supposed to be anyway. Birdie Pawlowicz was a fat, slovenly old broad somewhere between forty and two hundred.
