At the same time, Fm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half hi elsewhere space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures.. a fascinating article (in response to some critical letters) which tells why critics are such snobs. After the love-making Nolan needed another drink.. "Oh, yes," said Amos. "I know the sound. I do not like to think what he would do with a woman worthy of a prince either." Yet Amos found himself thinking of it anyway. "His lack of friendship for you certainly doesn't speak well of his friendship for his nearest and dearest..".
